RULES FOR THE SELECTION OF PARTICIPANTS

- Each team should consist of three students, under the supervision of their school teacher as the advisor
- All participants must be a SPM/IGCSE/Equivalent student
- Schools can send as many teams as they want

RULES AND REGULATIONS

1. Each successful registration will be followed by a confirmation email from the organiser.
2. Please make sure the registered email account is active.
3. The competition will be carried out on various digital platforms which require a coverage of internet network allowing high speed data transfer for the purpose of smooth audio/video conferencing. It is the participant's responsibility to ensure this is in place before the competition takes place.
4. The Judges'/Organisers' decisions in all matters relating to the competition shall be final, absolute, and binding on the participants.
5. If at any time during or after the competition, a winner is found to have not complied with any of the Rules and Regulations, the Organisers reserve the right to cancel and/or recover the claimed prize at their sole discretion. In such a situation, the winning team will be disqualified, and the panel of judges will determine a new winning team.
6. Members of the winning team should be available for the post-competition production, recording and publicity of the competition, such as:
 - a. Interview (which shall be videotaped)
 - b. Taking of still photographs, audio or visual recording for promotions and publicity purposes.
7. The Organisers reserve the right to vary, postpone or reschedule the dates and venues of the competition or extend the competition period at their sole discretion.
8. By participating in this competition, the contestants agree to and shall ensure that all team members, chaperones, and their respective institution's authorities agree to be bounded by the competition's Rules and Regulations.
